

LEMELSON-MIT InvenTeams™

2017 InvenTeams Community Engagement Update June 2017

Highlights:

- [Storify of social media posts](#) by InvenTeams, Excite Award Recipients, Master Teachers, and Lemelson-MIT team throughout EurekaFest!
- EurekaFest 2017 was a success! Thanks to everyone for a wonderful event, I heard great things from the teachers and InvenTeams. Here are some of teams' photos from their trip: [Blue Mountain Academy](#), [Catalyst](#), [Carmel HS](#), and [The Pine School](#).
- [Drew Charter School](#) and [DIY Girls](#) visited Boston a few days early, while [Tustin High School](#) toured around Boston after EurekaFest.
- **STEM School Chattanooga** student, Kalena, was interviewed on [ThisNThat Channel 9 News](#) with teacher, Kim Stanley, after EurekaFest. They were also interviewed on [WTVC 9.2](#), the local Fox News station.
- **Greenbrier East's** local NBC station (WVVA) wrote an article on the team's [Sustainability Award](#).
- **DIY Girls InvenTeam** continue to get press after EurekaFest, including [Brit+Co](#), [NPR](#), and [Mashable](#).
- Overall community engagement for 2016-2017 InvenTeams (as of 6/30/17):
