

LEMELSON-MIT InvenTeams™

2017 InvenTeams Community Engagement Update November 2016

Highlights:

- North Carolina Office of Environmental Education and Public Affairs shared link to the press release and our website with a shout-out to Joann Blumenfeld and the **Catalyst InvenTeam** on their [Facebook](#) and also shared via [twitter](#).
- [Biogen](#) congratulated the **Catalyst InvenTeam** on receiving a Lemelson-MIT grant.
- **Carmel High School's InvenTeam** was featured in [Good Day Carmel](#), [Current in Carmel](#), and [Inside Indiana Business](#).
- Carmel Clay School District awarded the **Carmel HS InvenTeam** a "Spotlight on Excellence" award, and [tweeted](#) a photo of the team.
- The **Drew Charter School InvenTeam** gave a tour to [local dignitaries](#) and spoke to them about hot car death mitigation. They also received a letter from a [local law firm](#) thanking them for their effort to help stop deaths of children left in cars.
- [Cypress-Fairbanks School District](#) tweeted a photo of the **Cypress Springs High School InvenTeam** working on their project and a link to a school article.
- **DIY Girls** were featured in another women-based online news source, [Girl Talk HQ](#).
- [Fox News](#) did an article on **Poolesville High School's InvenTeam** project.
- **Spring Hill High School's InvenTeam** spoke at a [Rotary Club](#) meeting about being an InvenTeam and their robot.
- The **STEM School Chattanooga InvenTeam** attended a [Student Career Fair](#) in Hamilton County and an [Innovation Fair](#) in Chattanooga.
- **Tabor Academy's InvenTeam** was featured in [Wicked Local Marion](#), [Wicked Local Rochester](#), [Sippican Village Soup](#), and [The Wanderer](#). Buzzard's Bay Coalition [tweeted](#) the link to the Wicked Local Marion article.
- Many of the teams have been posting to social media on their project progress; [Drew Charter School](#), [DIY Girls](#), and [The Pine School](#).
