FREE VIRTUAL SUMMER LAB SESSIONS 2022

The Biogen Community Lab and Lemelson-MIT Program invite you to participate in:

Biogen-MIT Biotech in Action: Virtual Summer Lab

This two-week long virtual program will provide students with the opportunity to expand their knowledge and skills in STEM, while getting a real inside view of what it is like to work for a biotech company. Students will use virtual labs, online learning and conferencing software, and real-time conversations with employees of both Biogen and MIT to learn all about biotechnology and invention with a focus on Alzheimer's disease and Digital Medicine.

Open to all students currently in 9th-12th grade in the U.S. and 14-18 years old globally. Priority will be given to students from low-income households and groups historically underrepresented in science.

VIRTUAL SESSIONS:

Session 1: June 21st – July 1st

Session 2: July 12th – July 22nd

Session 3: July 26th – August 5th

Each session meets daily Tuesday-Friday for both weeks from 9 A.M. to 1 P.M. ET

COST IS FREE!
