

Hey kids:

What's your
BIG idea?

Do you have an invention or an idea for one?

BRING IT!

by participating in the Massachusetts Invention Convention!

Awards! Scholarships! Fun!

Opportunities to compete in local, state and national conventions!

See back for more info and registration details.

Don't have an idea yet? Well, what bugs you?

Think about that problem and how you can solve it. That's how invention starts!

LEMELSON-MIT

**MASSACHUSETTS
INVENTION
CONVENTION**

Get Started Now:

- 1) Identify a problem that matters to you or your community
- 2) Think about possible solutions
- 3) Develop and refine your ideas

Excited about Inventing?

The Massachusetts Invention Convention (MAIC) offers an opportunity for kids to show off their ideas and prototypes. We invite parents, teachers and students to get involved with MAIC.

Inventing is really fun and it's a great way to enhance STEM learning.

All students are welcome: individual inventors, classes, scouts, clubs & more.

Last year, **26** students (K-12) went to the National Convention, **5** to Globals where **1** Massachusetts student earned 2nd Place *in the WORLD* for her age group!

Register today at massinventionconvention.org. We look forward to seeing your **BIG IDEA!**

Registration deadline: 3/22/2022

Submission deadline: 3/26/2022
