FREE VIRTUAL FALL PROGRAM 2022

The Biogen Community Lab and Lemelson-MIT Program invite you to participate in:

Biogen-MIT Biotech in Action: Virtual Fall Program

This 8-week virtual program throughout the Fall 2022 semester will provide students with the opportunity to expand their knowledge and skills in STEM, while getting a real inside view of what it is like to work for a biotech company. Students will use virtual labs, online learning and conferencing software, and real-time conversations with employees of both Biogen and MIT to learn all about biotechnology and invention with a focus on Alzheimer's disease.

Open to all high school students currently in 10th - 12th grade (or ages 14-18 if outside of the US). Priority will be given to students from low-income households and groups historically underrepresented in science.

Program Dates & Times:

Oct 15th – Dec 10th
Every Saturday 2-5 PM ET
(No meeting on Nov 26th)

Application opens September 20th, 2022 and
closes October 2nd, 2022

COST IS FREE!

Requirements: Students will need access to a computer and internet during the program times listed.
