

# THE INVENTOR'S PATENT ACADEMY

## Presents

### Creating Value from Your Patent

#### Got a big idea? Don't know what to do next?

Come learn what The Inventor's Patent Academy (TIPA) has to offer. **TIPA is your free resource** that will help you take your idea(s) to the next level! Here's how:

- You'll discover free online courses designed to demystify the patent process
- You'll learn how to protect and commercialize your good ideas
- Hear from elected officials about concerted efforts to support the local invention and entrepreneur ecosystem
- Meet other inventors and hear their stories

Whether you are a seasoned inventor or just have a few great ideas, you'll enjoy meeting like-minded people and benefit from expanding your knowledge base.

#### We look forward to meeting you.
